

The Best Gift You Could Give Your Child!

The Before & After School child care program at Childrens' Kastle fills in the gaps in your child's day. We provide a secure, caring, and stimulating place for your child during times when the child is not in school and parents are unable to be home. This may be in the morning before school starts, in the afternoon after the school day ends, or on school early dismissals, days off and holidays.
