Simple Fall Activities for Toddlers

Make a fall sensory bin! Toddlers love to scoop, fill and dump containers, and experiment with their senses! Here are some easy sensory bin ideas:

- Corn kernels with small pumpkins, fake leaves, and pinecones
- "Apple Pie"- oatmeal with cinnamon sprinkled in, or cinnamon sticks

Add in measuring spoons/cups, small bowls/cups, foil muffin or pie pans, and small shovels

Make a fall leaf collage! Head outdoors to search for and collect leaves. This is also a great way to reinforce color concepts as you identify the different colors in the leaves. Glue leaves onto construction paper, or stick onto contact paper!

Referral Program

The highest compliment our parents can give us is a referral of a family for child care. The trust and confidence that you place in us each day means so much to us! In appreciation for your confidence, if you refer a family and they register, you receive a tuition credit!

It's as easy as 1, 2, 3!

1. Refer a family to us
2. The family that you refer must give the management team your name and put it on the necessary forms for enrollment.
3. When do you receive the credit? Once the new family has attended for four weeks, your account will be credited. You will receive \$50 for a part-time enrollment, or \$100 for full time. This offer is valid only for new family enrollments.

From the Office

Our **Harvest Party** is Wednesday October 31st! Check outside your child's classroom door for more information.

As the **cooler weather** approaches, please make sure that your child comes prepared with a jacket, mittens, and a hat for playing outside. Along with the cooler weather, fall also brings cold and flu season. Please be sure to check the updates in our Parent Manual regarding our sick policy and help us keep all of our little ones healthy!

School Portraits will be **October 23rd and 24th!** More information will be handed out as we get closer to the dates.
