Victor Butzek 11/30

Lucas Lukasiewicz 11/30

Special Days in November

November 20 Thanksgiving Feast

November 28– Center is closed for Thanksgiving

Let the Christmas Countdown Begin!

"Here comes Santa Claus, Here comes Santa Claus, Right down Santa Claus Lane!" Santa Claus sometimes needs a little help with gift giving ideas, so here are some of the most popular and educational gifts out there.

School Age: Dash Robot is always a hit with school age kids! This robot teaches children how to code and explore loops, events, conditions, and sequences. The robot helps children become confident in their technology use and grows with them!

Learning Resources Beaker Creatures Deluxe Liquid Reactor Super Lab teaches children about chemical reactions, and let's them unleash their inner mad scientist!

MindWare Q-Ba-Maze Ultimate Stunt Set Marble Run allows kids to create intricate mazes that the marbles fly through. This is always a hit in our classrooms!

Pre-School: Fisher Price Think & Learn Smart Cycle makes exercise fun! Parents can connect a tablet to allow children to race through different levels and games.

GeoSafari Jr. Talking Microscope comes with 60 full color slides and allows children to engage in up-close learning. The slides include insects, minerals, plants, and fibers.

Step2Deluxe Creative Projects Art Desk is a great toy to help store all of your child's art supplies and help get his creative juices flowing!

What's New at The Rock?

Our program is growing by the day! We've added two new staff members: Mr. Andrew and Mr. Ryan. Mr. Andrew will be working in the pre-school classrooms in the morning and the school age classrooms in the afternoon. Mr. Ryan will be working with the school-agers in the morning assisting with drop-offs and buses.

Birthdays are the best! We've started doing monthly birthday celebrations here at The Rock. Twice a month our school recognizes the children who have birthdays. We make sure to alternate the celebration days to make sure all schedules are accommodated. Classrooms will still celebrate the individual child on his or her birthday! So far our kids are loving it!

Referral Program

The highest compliment our parents can give us is a referral of a new family for child care. The trust and confidence that you place in us each day means so much to us. In appreciation for your confidence, if you refer a family and they register, you will earn tuition credit!

It's as easy as 1, 2, 3!

1. Refer a family to us.
2. The family that you refer must give the management team your name and put it on the necessary form for enrollment.
3. After the family has attended for four weeks, your account will be credited. You will earn \$50 for part-time enrollment, or \$100 for full-time enrollment.

From the Office

Here at The Rock, we know how important it is to have children play outside. We strive to get our children out twice a day, weather permitting. Please keep this in mind and dress your children appropriately.

Upcoming: We will be having our 2nd bookfair December 2nd-9th. Books make great Christmas presents.
